

# MANNA PATHWAYS NETWORK VOLUNTEER INFO

*Manna in the Wilderness*

## MANNA IN THE WILDERNESS

When the ancient Hebrew people fled from Egypt, they were faced with a real need for daily sustenance in the desert. The manna sent from God was intended to be used right away and helped them survive until they could thrive once again.

Today, you have an opportunity to provide manna of sorts for your beloved camp and retreat ministry. We hope you will prayerfully consider stepping up to become involved with our *Manna in the Wilderness Campaign* as a pathways volunteer!

## THE NEED

2020 was looking to be a great year for Sky Lake. Then Covid-19 hit and we adapted. Even though the ministry has continued in new and exciting ways this year, there's no getting around the fact that 2020 has been financially challenging for Sky Lake.

This summer, we joined with our sibling sites of Upper New York Camp & Retreat Ministries to launch the *Manna in the Wilderness Campaign*. We set an audacious goal of raising \$100,000 for Sky Lake. Hitting our goal won't solve the problem entirely, but it will help us get to 2021 a little less worried.

Thanks to the generosity of over 192 individuals, families, staff, and churches, along with camper families who converted their registration fees, we are **almost at \$58,000** in donations toward our *Manna in the Wilderness* goal! This is in addition to the \$16,000 in regular giving from generous members of our Sustainable Forest of Giving and gifts to the Annual Fund.

## PATHWAY VOLUNTEERS

The majority of people who count themselves as Sky Lake campers, guests, or alumni do so because someone they knew invited them to become involved. In many ways, our Manna Pathways Network seeks to replicate this. People respond better to a personal invitation rather than a general social media post or a letter or phone call from someone they may not really know all that well. Your role as a volunteer is to help facilitate the connection—there are likely people in your life who would donate to Sky Lake if they receive a personal invite!
