Greetings Campers!

We're really looking forward to the return of our **Special Needs Winter Retreat** from **Thursday, January 6 through Saturday, January 8, 2022** right here at Sky Lake. This retreat is specifically geared for our friends with mild- to moderate-special needs. Please keep in mind that space is extremely limited so you'll want to complete and return the **enclosed registration form** right away!

Please note that even though we will be wearing masks while indoors, we are limiting this winter's retreat to individuals who are fully vaccinated against Covid-19.

Our Winter Retreat is similar to our summer camps, only we spend a bit more time indoors. Additional information is available at: skylakecenter.org/event/special-need-winter-retreat-2022/ or give us a call at 607.467.2750.

Hope to see you next month. In the meantime, have a wonderful Holiday Season. (Just make sure to save some room for the delicious food you'll enjoy during the retreat!)

+Grace and Peace,
