## NOTES

- ▶ The information given on this application will be used to assess our ability to care for the applicant and to ensure the safety and well-being of all our campers and staff. We are unable to accommodate campers needing one-on-one care. Helping Hands campers must need only minimal assistance with toileting and transferring. Independent toileting and mobility skills are required of all other special needs campers. Please consult either the Sky Lake Website or accompanying flyer for session descriptions and additional eligibility requirements.
- ▶ We anticipate summer 2022 CDC and NYSDOH recommendations around Covid-19 to be released this spring. Those guidelines will determine if masks and/or vaccination will be required. In the meantime, we encourage submitting an application to reserve a spot this summer.
- ▶ **Fully complete this application and return it to the address above, or email a scan of it to: registrar@skylakecenter.org**
- ▶ If there have been any *major* changes to the applicant's ISP (Individualized Service Plan), IEP (Individualized Educational Program), or IPOP (Individual Protective Oversight Plan) since the last time the applicant was here, please mail or email those changes with the application.
- ▶ Camper placement is decided on a twice monthly basis, *beginning March 23rd*; at which time decision letters and health forms will be mailed.
- ▶ There is no fee to apply, so please do not send any money with application. A \$75 non-refundable deposit (due within 21 days from time the decision is mailed) will be required of those who are offered a space in one of our special needs camps. Remainder of balance is due prior to attendance at camp. A list of due dates will be included with the decision letter.
